---

This Web site is powered by [Joomla!](#)

The Joomla! licence is GPL (used under the terms of the [GNU General Public License](#) ).

The software and default templates on which it runs are Copyright 2005-2008 [Open Source Matters](#)

All data entered into this Web site, have been compiled from several data sources :

\* TK118 web site ( <http://tk118.com/> ) (for patch/trading cards),

\* existing 501st Legion DB (for patches/coins),

**All pictures have been completely renewed for accuracy and to avoid problem of property of existing pictures stored on Official Legion Boards.  
Pictures should not be used outside this website without asking admins permissions (tenth hours have been spent scanning all merchs).**
